School Vision Statement

At St Mary's Primary School we work in partnership with families and the Goldfields Community, to provide a Christ-centred and child focused school of excellence, where children are nurtured and empowered to reach their full potential.

Year 1P Liturgy –
9:30am – School
Chapel

From the Principal's desk

Dear Parents and Caregivers,

The Term is rushing to a close and I'm sure everyone is looking forwards to the holidays. Our Staff have done an amazing job this term as they have managed to keep the continuity of learning going in our school despite the very real challenges of COVID. They have earned a well-deserved rest and I thank them for their continued dedication to St Mary's. Reports will be going home on Thursday and our last day for term Two is Friday 1st July. The children return to school refreshed and ready to learn on Monday 18th July.

Mrs Treleaven is commencing her Parental Leave at the end of the term and we wish Emma and Sam all the very best as they prepare for the arrival of "Baby Treleaven" Exciting times ahead for the Treleavens!

We welcome warmly to our school Miss Hannah Goodman. Miss Goodman will be teaching the Year Four class until the end of the year. Miss Goodman has been working in Perth as a Science specialist teacher and is very excited about relocating to Kalgoorlie.

Today is our Winter Warmers Dress Up day. The children look amazing in their warm winter clothes and we thank the School Community most sincerely for supporting this cause. The money raised will go towards paying for the blankets that were donated to the Missionary Sisters of Charity to be distributed to the needy in the wider community.

On Friday, we have the Catholic School Cross Country. Children from years three to six will be travelling to Centennial Park to compete. Thank you to Mrs Ashleigh Pyke for organising this event. Please make sure you have returned your note to school informing teachers if you are picking your child up from the Cross Country or they will be returning to school on the bus. There will no lunches available from the Canteen as it will be closed on Friday.

Numero is coming to St Mary's on Wednesday 20th July (T3, W1)! Our intention is to eventually roll Numero out across the school and run some lunchtime competitions. The Parent workshop will be run in the School Hall from 6pm-7:30pm. Numero is a simple way to become involved in your child's learning and provides a fun family activity, reinforcing skills taught in the classroom. Attendance at this parent workshop will teach you how to play Numero and how to help your children play. A note went home last week so you can register for the free workshop and is due back by Friday 1st July. All school-aged children and families are welcome.

Have a great Holiday, stay safe and well and we will look forward to a busy and productive Semester Two.

God Bless
Elizabeth Browner Principal

MANDATE LETTER - PRIMARY PROCLAMATION

The primary proclamation today proclaims the Christian promise of Salvation and how this promise is fulfilled in all who 'respect and believe' in Jesus and the Kingdom of God. It invites reflection on the salvation Christ offers and how he changes the lives of all who come to know him and the power of this resurrection. It proclaims:

...that God is not a distant inaccessible being. 'a remote power without a name; but a Father, who is present... and whose power is his love.

Today we remember Saints Peter and Paul. They were both very important leaders in the early church. Peter was given his name by Jesus. His name means "rock" or "stone". In Peter, Jesus gave the church a solid leader. Paul first tried to stop the spread of the Gospel by putting Christians into prison. This in a vision, he learned that Jesus was the Messiah. He spent the rest of his life spreading the gospel of Jesus.

GOSPEL

Listen to the words of the Holy Gospel according to Matthew 16: 13-19

When Jesus and his disciples were near the town of Caesarea Philippi, he asked them, "What do people say about the Son of Man?" The disciples answered, "Some people say you are John the Baptist or maybe Elijah or Jeremiah or some other prophet." Then Jesus asked, "But who do you say I am?" Simon Peter spoke up, "You are the Messiah, the Son of the living God." Jesus told him: Simon Son of Jonah, you are blessed! You didn't discover this on your own. It was shown to you by my Father in heaven. So I will call you Peter, which means a "rock". On this rock I will build my church.

The Gospel of the Lord.

PRAYER

Loving God,

We thank you

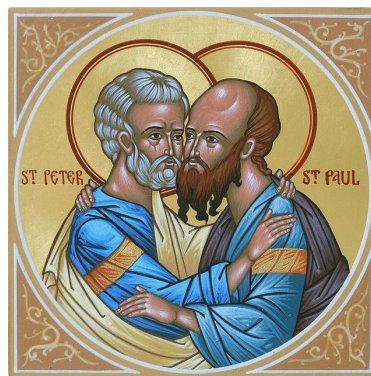

for your apostles Peter and Paul,

And for all the holy bishops and teachers who serve your church.

Guide and protect them

now and for ever.

Amen.

Library News

Thank you to all the students who have borrowed library books this term. It has been great to see so many students borrowing and returning books each week.

This is our last borrowing week for this term. We need all books to be returned to the library next week so that all books can be back on the shelves by the end of term.

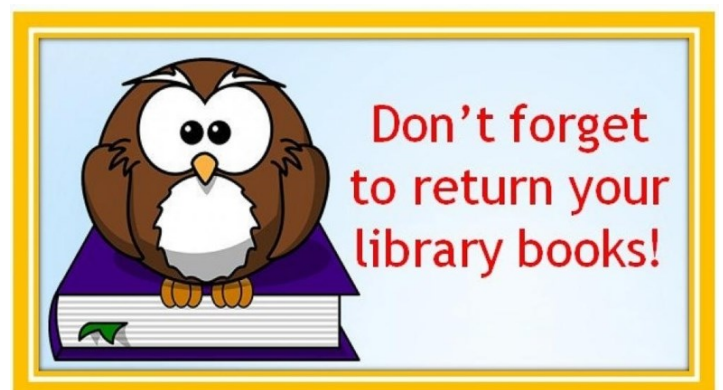

Year 1's, 2's and 3's have loved reaching

their sticker target

to receive a prize from our prize box.

Well done! Stay safe.

Mrs McFall and Mrs Crowley

ACCEPTANCE

The P&F have purchased 5 bike locks that will be kept in the office for students to use.

If your child has come to school and forgotten their bike lock, please go and see Mrs. Miller in the office to borrow a lock for the day.

The locks must be returned at the end of the day before heading home.

The P&F are currently working with the board to try and organise a roof for the current bicycle enclosure.

WINTER WOOLIE

Today we had our Winter Woollies Dress Up Day! It was wonderful to see everyone in their warm beanies, Oodies, pyjamas, scarves and jumpers!

As part of the day, the children were able to purchase a warm Milo and biscuit. Thanks to our Year 6 Pastoral Care Ministry for organising this.

With your generous donations, as well as the Milo sales, we were able to raise a total of \$985.00 towards the purchase of warm blankets for those in needs in our Goldfields community. Thanks to everyone for supporting this worthy cause!

Mrs Anne-Marie Terry (Assistant Principal)

NUMERO®

**A Card Game That Counts.
Improving Mental Calculation.
Works For All Ages.**

PARENT NUMERO® WORKSHOP

Wednesday, 20th July 2022

6pm – 7.30pm

***Numero® at St Mary's Catholic Primary School.
Please register your interest in this workshop.***

Playing *Numero®* with your children will support the work being done at school to develop basic number facts, fluency, reasoning and problem-solving in mathematics.

Attendance at this parent workshop will teach you how to play *Numero®* and how to help your children play.

Packs of *Numero®* products will be available to purchase on the night at a cost of \$17.95 each. (Cash preferred.)

Credit card is an option but will require a short wait at the end of the evening.

Numero® is more than just a card game. It is an invaluable resource for maths educators. Numero® has been designed for use by students of all ages, and assists in developing understanding of numeracy concepts and problem-solving skills. A focused Numero® program can significantly boost children's mental maths abilities, help improve achievement in mental computation testing, and encourage tactical thinking and thinking 'outside the box'.
