Dear Parents and Caregivers,

What a beautiful NAIDOC Liturgy we celebrated yesterday. Thank you to Charmaine Champion for our Acknowledgement of Country. The children read beautifully, and it was a moving celebration of Reconciliation. Thank you to Mrs Brown, Mrs McFall, Mrs Cully and Mrs Crowley for organising the Liturgy and decorating the Undercover Area.

Well done to all the children from PP-6 who participated in the fundraising Lapathon for the Year Six camp. Please bring your sponsorship money in as soon as possible.

Swimming Lessons for the Years PP-5 commence next week (Week 3). Please make sure you have read all notes carefully. There is information regarding what the children need to wear to and from the pool, swimming class times and canteen availability. If you have lost your note, please collect a new one from the Office.

Tonight, we are hosting a Parent/Child Reconciliation workshop. The Year Three Catholic children and their parents will take part in a compulsory workshop about the Sacrament of Reconciliation. The venue for this workshop will be the Early Childhood Block. Enter through the glass sliding doors on the veranda. This is an interactive workshop designed to deepen their understanding about the Sacrament. Please make sure you are at the school by 5.50pm so we can commence on time at 6.00pm. Looking forward to an informative night.

The Miner's Memorial has been scheduled for the 4th December. Unfortunately, this is the same night as our Senior Concert, so we are going to move our Senior Concert night to Tuesday 3rd December.

As we begin to look towards 2025, if you know your child will be leaving St Mary's at the end of the year can you please inform the office via an email at the earliest opportunity. This assists the school in our forward planning.

Enjoy the rest of your week,

God Bless  
Elizabeth Browner

## MANDATE LETTER- *The Distinctive Ethos of the Catholic School*

Promoting the ethos of the Catholic school calls each member of its community to give Christian witness. It means avoiding deliberate behaviour that conflicts with the teachings of Christ.

The lifestyles, attitudes and overt witness of adults are of the greatest importance. In Catholic education, 'conduct is always more important than speech'.

Primary proclamation, the apprenticeship of initiatory catechesis and Religious Education are essential for promoting the Catholic school ethos. These forms of the Ministry of the Word need to be actively supported by all members of the school community.

Sometimes we are very selfish and want to be first or the most important. At those times, we don't care about anybody else. Often, we do this without thinking of how it will affect others or us. James and John were like this. They hadn't heard Jesus when he tried to explain to them that to be a follower of Jesus doesn't always mean being in the first or best place. Often, following Jesus means suffering.

### GOSPEL

Listen to the words of the Holy Gospel according to Mark: 10:35-37, 39, 40-42, 43

James and John, the sons of Zebedee, came up to Jesus and asked, "Teacher, will you do us a favour?" Jesus asked them what they wanted, and they answered, "When you come into your glory, please let one of us sit at your right side and the other at your left."

Jesus told them, "You don't really know what you're asking! Are you able to drink from the cup that I must soon drink from or be baptised as I must be baptised?"

"Yes, we are! James and John answered. Then Jesus replied, "You certainly will drink from the cup from which I must drink. And you will be baptised just as I must! But it isn't for me to say who will sit at my right side and at my left. That is for God to decide."

The Gospel of the Lord.

### Prayer

God of grace and wisdom,  
You continually raise up good people  
Who show with their lives  
That they follow a holy and loving God.  
Let our lives be as true as our faith.  
We ask this through Christ our Lord.

Amen

# Year 1 Church Visit

The Year Ones took baby Taylor and baby Joseph to Church to be Baptised. We had wonderful 'parents' and 'godparents'. Father Errol explained lots of interesting things to us and answered some of our big questions. We were very reverent and showed how responsible we each were by getting to light a candle.

# NAIDOC LITURGY

On Wednesday, the students from PP-Year 6 joined together to commemorate NAIDOC Week with a Liturgy. This year's NAIDOC theme is 'Keep the Fire Burning: Blak (Black), Loud and Proud. Our Liturgy was focused on a spirit of peace and respect for all. We are thankful to Charmaine Champion for leading us in the Acknowledgment of Country which included some of our students Introducing themselves and where they are from. Thank you to our readers from Year 5 and 6 and to Mrs McFall, Mrs Culley and Mrs Crowley for your preparations.

# Year 4 Excursion

On the 15<sup>th</sup> of October, our Year Four students had an exciting and educational excursion to Karkurla Park. The day began with a guided bush walk, where the students learnt about the diverse native plants from Kim Eckert, CEO of the park.

This hands-on experience gave them a deeper understanding of the local environment and its importance. Following the walk, the students enjoyed time playing in the park's nature playground, which offered them a chance to explore and have fun in the great outdoors. The day was rounded off with a delicious pizza lunch, providing a well-earned treat after a day of learning and adventure.

We would like to extend our heartfelt thanks to our dedicated teachers Miss Osmetti, Mrs Casey, Mrs Watson and our parent helper, Mrs Asher Thomson, for their support and assistance throughout the excursion. The students had a wonderful time and are grateful for the opportunity to experience nature in such a meaningful way.

## MUSIC PROGRAM 2024

## **GUITAR, UKULELE and KEYBOARD INSTRUMENTAL MUSIC 2024**

ST MARY'S CATHOLIC PRIMARY SCHOOL

Hi there! My name is Lindsay Ginn and I've been presenting music classes for Guitar, Ukulele and Keyboard for the last five years at St Mary's. It has been proven scientifically that learning to play a musical instrument has huge benefits to students. In fact, when someone plays, studies have shown that every area of the brain is working. It's as though fireworks are going off inside your head! I began learning to play at the age of seven when my parents decided to take a chance on me. They scrounged up enough money to buy an electronic organ and pay for some lessons, hoping that I might do well at it. I'm so glad they did take that chance because I have never stopped playing since that day. I know personally that music does make a major difference in someones life because it did so in mine.

If you would like your son or daughter to begin I'd be honoured to start them on that journey. The cost of each lesson is \$25, which I invoice during the term. I only charge for eight lessons each term, due to other activities that may pop up from time to time.

I'm more than happy to assist you and make recommendations if you don't have an instrument as yet and need guidance - Just let me know. Could you please **email** or **text** through the following information to me if you would like to start lessons this year. My contact details are:
